Winter Showcase Was a Success!

Congratulations to all of the students who performed in the Winter Showcase. All of the teachers were extremely proud of you and cannot wait to see you compete this season. Thank you to all of our parents and supporters for giving us a live audience. We truly love and appreciate you!

Reminder: Food in Lobby

Please limit the amount of food brought into the lobby. There should be snacks and water only. Any food purchased at a fast food restaurant needs to be thrown out at home. Drinks should be consumed or emptied in the sink before thrown into the trash can. We have been trying to carry wet, smelly, heavy garbage to and from our cars. Please be polite when considering your trash. Thank You!

Choreography Fees

Reminder, any student performing a solo or duet at competition needs to pay their choreography fee if you haven't already. Also, please make sure all team fees are up to date as we officially enter competition season. Thank You!
