Competition News!!!

CONGRATULATIONS competition team to a very successful start of our competition season. Ms. Beth, Ms. Ashley, Coach Rachel and I are extremely proud of your accomplishments. Continue to work hard and strive for better technique each time you compete!

Recital Fees

Recital Fees of \$75.00 per student (\$120.00 per family with 2 dancers, \$130.00 for families with 3 students) will be applied to your account next month (April). Your recital fee includes: 2 tickets into the recital, 1 recital t-shirt, program book, end of the year trophy and rental for Curtis Peterson. All students participating in the recital will have a recital fee charged to their account. Extra tickets and extra shirts will be available for purchase. Recital fees will be due by May 1st.

Reminder: Dress rehearsal will be Sunday, May 29th and recital will be Monday, May 30th. Please reserve these dates on your calendar.

Picture Day & Costumes

Picture day will be held either the end of April or beginning of May. When a date is set you will be notified. Costume companies are having a hard time getting costumes out in a timely manner due to COVID restrictions in their states. I would like to have all costumes in for picture day, but it may not be possible. They will all be in for recital. Please stay flexible and I'll keep you posted on any upcoming information.
